RAMAKRISHNA MISSION SIKSHANAMANDIRA

(A NCTE recognized Govt. Aided (WB) Autonomous Post-Graduate College under University of Calcutta)

Brochure 2023-25

*Education is the manifestation of the
perfection already in man*

Visishtananda

"Education is not the amount of information that is put into your brain and runs riot there, undigested, all your life. We must have life-building, man-making, character-making assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by heart a whole library." — Swami Vivekananda

The Sikshanamandira

At the culmination of Swami Vivekananda's spiritual odyssey of Bhaarat Darshan, his accumulated experiences made him aware of the treasures of Indian culture hidden behind the misery and poverty of contemporary society. Swamiji perceived that the acute suffering and the repression of the smouldering identity of our great nation beneath that is a direct consequence of absence of education in its purest form. Thereafter he lived and preached the paramount significance of education and educators in building the character of an individual that is infallible, pure, and rekindled with the idea of sacrifice for the common good.

In keeping with the guiding principles of Swamiji, Sikshanamandira was established in 1958 to instil values, competency, and integrity to the future generation of teachers and teacher-educators and to set an example of teaching at its pinnacle.
