## Analysis:

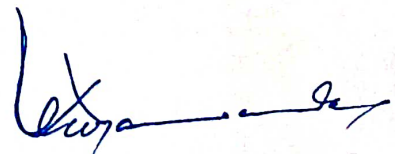

After going through the collected data and the mean score of each item, it can be easily concluded that our student-teachers of B.Ed. are quite satisfied with our curriculum. In case of item-1 and item-8, the percentage of strong agreement is quite high. It means that our curriculum has the potentiality to uphold value based education as envisaged by Swami Vivekananda himself. The overall mean score-44.20 shows that the respondents positively responded to the items scaled in the feedback form. Besides, the multifaceted aspects of our curriculum also bear a strong testimony to retaining a positive attitude towards teaching profession, developing leadership quality, Indian cultural ethos and critical thinking as per the recorded responses.

## Action Taken Report:

Since all the respondents responded positively, no action was deemed necessary to take.
