ANALYSIS:

The collected responses from the employers show that they have a positive mindset for our student-teachers. In most of the statements in the feedback form, they strongly agreed with. It means that our student-teachers, whom they recruited as teachers, are efficient to take classes effectively and are also able to perform in different capacities as and when needed.

ACTION TAKEN REPORT:

No action was taken, since the analysis of the employers' feedback yields a positive aspect of our curriculum.
