- One complaint has been found in the hostel complaint box regarding the use of mobile phone speakers for listening music, talking etc. inside the hostel room. It is decided that during common hours of stay in the hostel room, boarders must use headphones instead of mobile speakers for listening music, attending / conducting online class or talking with others etc. During study hours in the study room such activities will not be permitted.
- A quarterly review of disciplinary measures and facilities with regards to hostel and college shall be undertaken by Principal and Hostel Superintendent.
- There being no other matter to discuss, the meeting ended with a vote of thanks to the chair.
