Institutional Strategic Plan & Deployment

Academic Session: 2022-2023

1. Developing strategies for curricular transactions in post pandemic situations:

Strategic Plan:

- ❖ A meeting to be held to address the problems of curricular transactions of different courses in post pandemic situations.

Deployment of Strategies:

- ❖ A meeting was held to address the problems of curricular transactions of different courses and in post pandemic situations. Different usage of ICT tools was brought to the fore.

Outcome:

- ❖ Our faculty members started using different ICT tools like Canva, Prezi and Google Apps.

2. Reformative actions taken for evaluation patterns:

Strategic Plan:

- ❖ Steps to be taken to bring diversity to the existing evaluative pattern.

Deployment of Strategies:

- ❖ A number of steps were taken to reform the evaluative pattern.

Outcome:

- ❖ Our evaluative pattern turned out to be thought provoking and problem solving in nature.

3. Meticulously Planned Internship Program:

Strategic Plan:

- ❖ Trainee-teachers of B.Ed. to be given exposure to various non-academic involvement in their respective allotted schools along with their academic involvement during their internship program.

Deployment of Strategies:

- ❖ Trainee-teachers of B.Ed. were given different orientations to preparing stopgaps, attendance registers, different administrative works, writing minutes of the meeting, official notices, hosting cultural programs, computer literacy to fill in the data templates of UDISE.

Outcome:

- ❖ All these initiatives proved successful, as our trainee-teachers performed their duty perfectly during their internship.

4. The functioning of the Multipurpose Computer-Lab:

Strategic Plan:

- ❖ A general meeting to be held to discuss the functioning of the multipurpose computer-lab.
- ❖ Willing authorities conducting computer based tests (CBT) will be contacted for using our computer-lab for holding different exams.

Deployment of Strategies:

- ❖ Willing authorities conducting computer based tests were contacted for using our computer-lab for holding different exams.

Outcome:

- ❖ Various authorities holding exams like UGC-NET, CSIR-NET, KIIT, CBSE-CTET, NIH chose our centre as one of their many exam centres and successfully conducted their exams.

5. The Inclusion of Charaka Udyan as a part of Practicum in B.Ed:

Strategic Plan:

- ❖ Identifying various Indian medicinal plants and their healing effect, their scientific names to be included into our B.Ed. curriculum. This, in addition, will support the Indian Knowledge System.

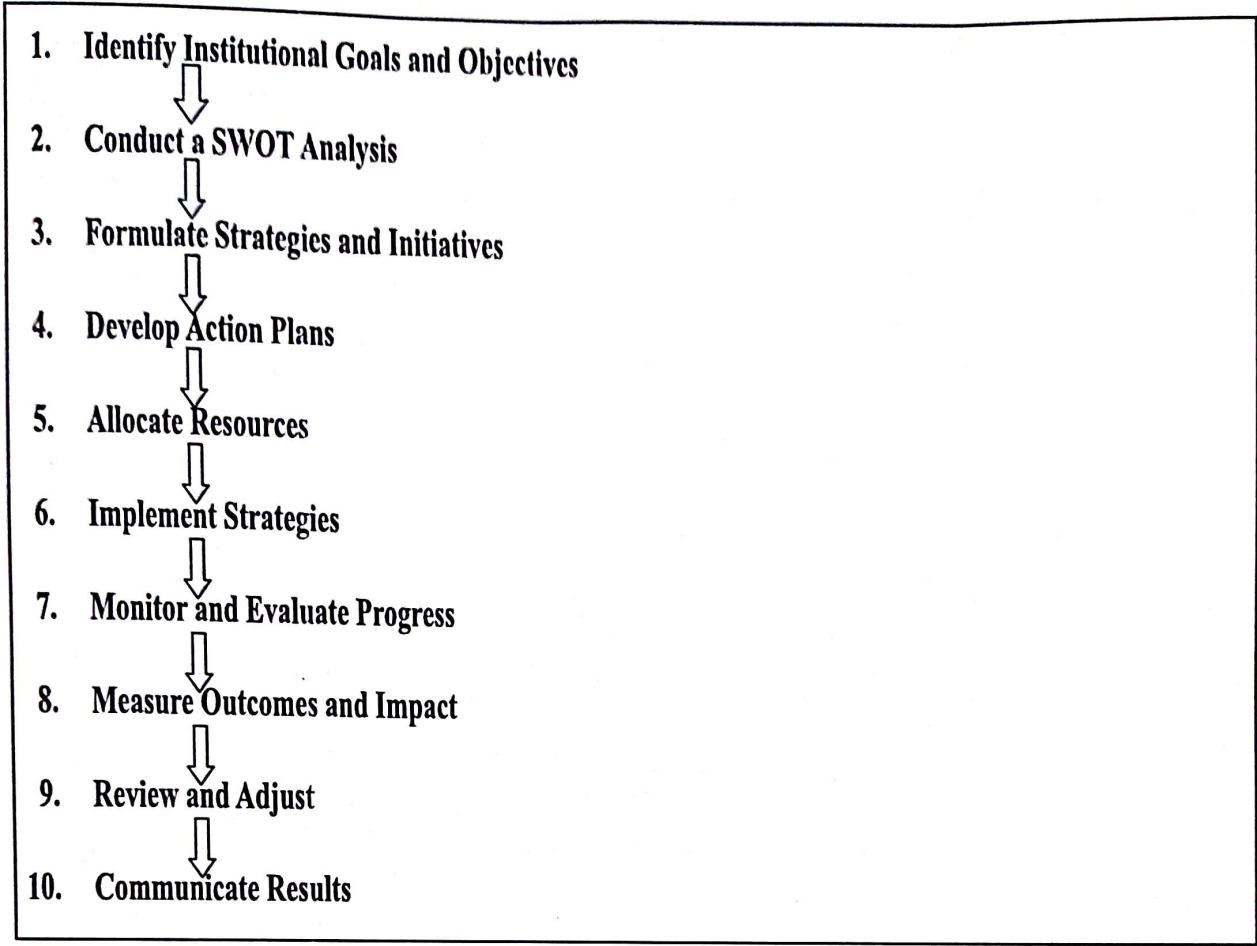

Deployment of Strategies:

- ❖ The strategic plan was successfully implemented.

Outcome:

- ❖ It successfully became a part of B.Ed. curriculum. Students were introduced to various medicinal plants with their scientific names and healing effects.
