subject :- English Method (1st Method)

Achievement Test (English)

Concept of Achievement Test

Achievement test is the means to the teacher and the students to see how far they have progressed in a lesson. Achievement test is used for assessing the qualitative progress of a learner. It aims to find out how much each student and the class as a whole have learned of what has been taught.

After completion of a lesson, the teacher would want to take an achievement test in order to evaluate how far his students have understood what they have learned.

Achievement is not only important for a learner but also for a teacher. Achievement with the help of achievement test, there are two main points that can be focused -

- i) It can measure student's comprehension
- ii) It's also self-evaluation of the teacher.

The objectives of achievement test

There are several objectives of achievement test.

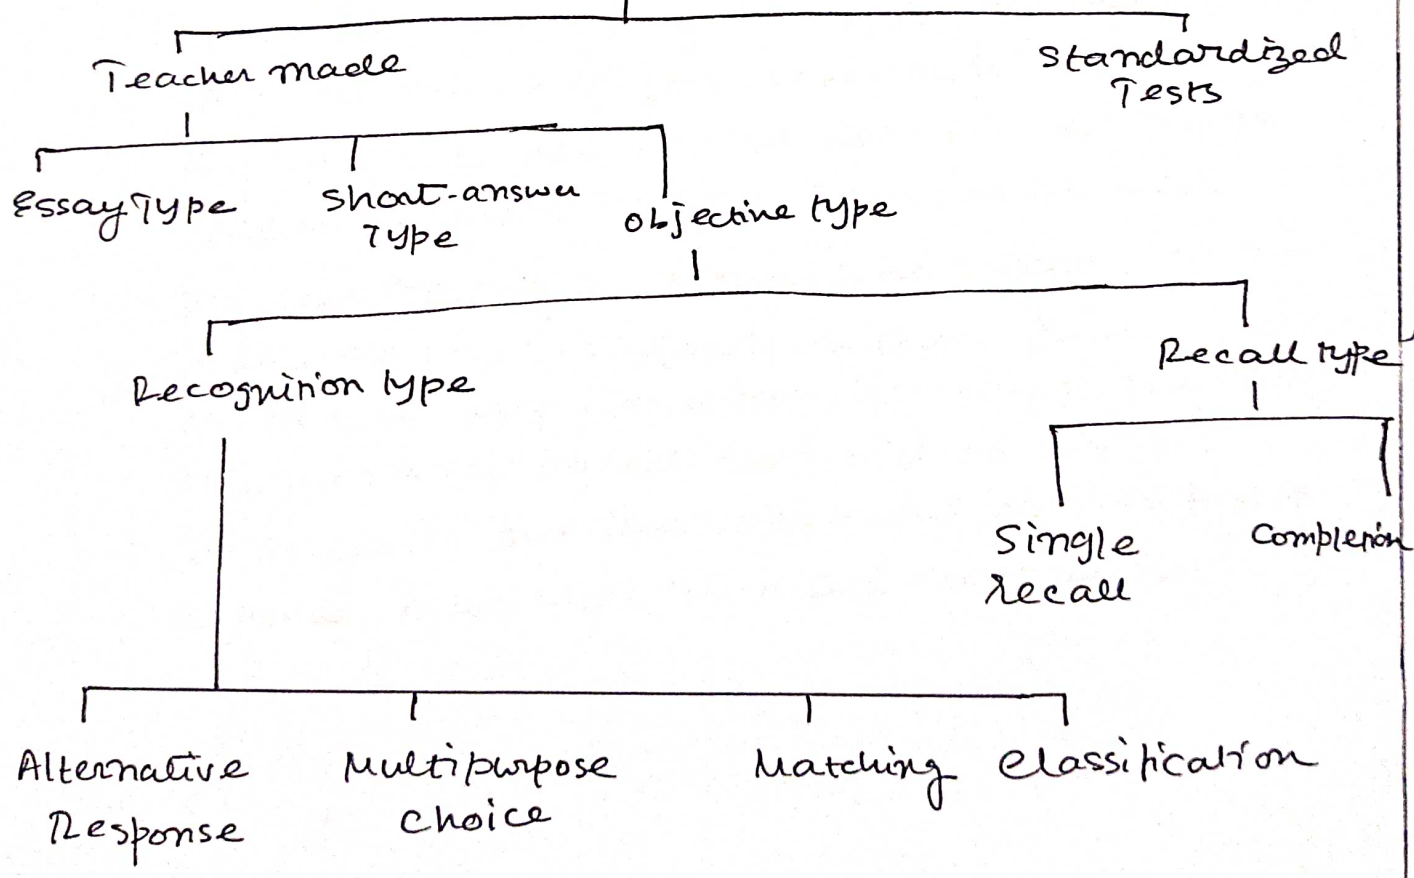

In a broad sense, it is used to test the student's knowledge, understanding and apprehension of texts and influence the personal feeling of the students.

On the other hand, in a specific sense, the objectives

are as follows -

- i) To test the ability of the learners to read English with correct pronunciation and expression
- ii) To check how far reading is followed by comprehension
- iii) To investigate their ability to use the newly acquired vocabulary
- iv) To judge whether their mastery over the correct patterns of sentences
- v) To test their ability to express ideas clearly.
- vi) To analyse their ability to read and appreciate English prose, poetry, story, etc.

Classification of achievement test

☐ Selection of the topic.

Subject :- English

class :- XII

Unit : Asleep In The valley by Arthur
Rimbaud
(Poetry)

Poem :- "A small green valley where a slow stream flows
and leaves long strands of silver on the bright
grass; from the mountain top stream the Sun's
Rays; they fill the hollow full of light.
A soldier, very young, lies open-mouthed,
A pillow made of fern beneath his head,
Asleep; stretched in the heavy undergrowth,
Pale in his warm, green, sun-soaked bed.
His feet among the flowers, he sleeps. His smile
is like an infant's - gentle, without guile.
Ah, Nature, keep him warm, he may catch cold,
The humming insect don't disturb his rest;
He sleeps in sunlight, one hand on his breast;
At peace. In his side there are two red holes."

Identification of Learning objectives

• Knowledge

The students will be able to recall, remember, recognize the relevant knowledge from their long-term memory. They will be able to recall, e.g., where the slow stream flows in the poem.

Some action verbs :- Define, state, memorize

• Understanding

After completion/reading the poem 'Asleep in the valley' the students will be able to comprehend the meaning of the poem, construct meaning, interpret, and finally state their opinion from their understanding. e.g., why the grass is 'bright'?

• Application

After reading the poem the pupils will be able to use the information from the poem in a new way. They will be able to illustrate the poem in a new light. Some action verbs :- Interpret, solve, use, ~~to~~ convert.

• Analyze

At this stage, after reading the poem 'Asleep in the valley' learners will be able to distinguish between parts of the poem, and even relate one part to another. They will be able to compare, contrast the parts of the poem after thoroughly analysing the poem.

Some action verbs :- Compare, contrast, classify, differentiate, experiment.

• Evaluate

Reading the poem *Asleep in the Valley* by Arthur Rimbaud will enable the students to make judgements and justify decisions. They will be able to evaluate the poem in a critical manner.

e.g. They will be able to evaluate the key note of the poem and justify the key lines as well.

Some action verbs :- appraise, argue, evaluate, verify.

• Create

In this level, the students after reading the poem and understanding the core points will be able to put different elements together and form a functional whole. In a way, they will 'create' a new product or a point of view.

e.g. They will be able to rewrite the title of the poem.

Some action verbs :- construct, design, develop, formulate, rewrite, devise.

With the help of Bloom's Taxonomy

the anatomy of a class can be set. The aforementioned

Instructional Objectives to provide clarity over the text and also helps in providing a blue print for the said text for achievement tests.

The questions that are to be set must will belong to the 6- Bloom's taxonomy levels.

Weightage to instructional objectives

SL NO	Instructional Objectives	Marks	% age of marks
1	knowledge	7	35%
2	understanding	5	25
3	Application	4	20
4	Analyze	0	0
5	Evaluate	2	10
6	create	2	10
	Total	20	100

Weightage to different types of question

SL NO	Items	Types of question	Total marks
1	Comprehension	No Mcq, True-False, Short type (6+4+2)	12
2	Grammar	Change of Voice, Turn into complex sentence, Using adverb of a selected word, Transformation to a negative sentence (1+1+1+1)	4
3	Composition	make sentence	2
4	Vocabulary	Synonym, antonym	2
	Total		20
