Principal (Offg.)
Ramakrishna Mission Sikshanamandira
Belur Math, Howrah-711202, W.B.

The effectiveness of various bodies/cells/committees of Sikshanamandira is evident through minutes of meetings and implementation of their resolutions /decisions. Here are two examples of such important decisions which were taken collectively in two different committees.

Recruitment of Contractual Full-time Assistant Professors of English, Life Science & Mathematics Method Subjects under RUSA 2.0 Component 8 Grant

- For this purpose, the matter was first put forward to the **Governing Body**.
- The Governing body formed a 5 members' Selection Panel/ Committee and entrusted the Committee to carry out the task.
- Subsequently the recruitment notifications were published both in the College Website as well as in national & regional newspapers.
- The Walk-in Interview was conducted with the Selection Committee members.
- After the interview, the Selection Committee through its minuted resolution prepared & published three Panels of selected candidates for three different subjects.
- Subsequently the Principal offered the letter of appointment to the first empanelled candidate of each subject who accepted the job offer and joined the institution.

Pecuniary Help to the Needy Students through Student Welfare Committee

Each year, Sikshanamandira provides financial aid to the economically challenged students and for this purpose the 5 members' Student Welfare Committee plays a pivotal role.

- All the applications of the students related to the pecuniary help were forwarded to the Welfare Committee by the Principal.
- Accordingly the committee members meet for deliberations on the applicant's financial status and decide the amount to be granted to the selected students.
- Following the recommendation of the Student Welfare Committee, the Principal instructs the accounts section to disburse the decided amounts to the selected students.

These steps are shown in the following:
