[**Note: for students alongside biometric attendance there is also a course-wise attendance system. Based on the course-wise attendance, the institution has also developed an in-house automated system based on Google Sheets and Docs with Google Workspace support. Through this system the monthly attendance reports of each student are also sent to their respective email ID. This emboldens Sikshanamandira's attempt to inculcate the practice of paperless activities in the different stakeholders like students, teachers and other college staff.]
