*Education is the manifestation of the
perfection already in man*

"Education is not the amount of information that is put into your brain and runs riot there, undigested, all your life. We must have life-building, man-making, character-making assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by heart a whole library." — Swami Vivekananda

The PGDYE Programme

The Vision

The Post Graduate diploma aims to create a supportive and collaborative learning environment for students from diverse backgrounds and cultures to acquire knowledge, attitudes, and skills essential in the practice of yogic exercise. The course will also help the students to envision a future where schools are seedbeds of health and happiness.

Where educators coach and embody lifelong well-being through dynamic teaching. And also all students learn life skills to cultivate mind-body fitness in tandem with academic success.

The Mission

This one-year regular course is designed to prepare education professionals for yoga education within the primary, secondary, higher and tertiary education sectors. Our mission is to empower all communities with yoga to cultivate health and wellness in adults to aged people. Through evidence-based Professional Institutes, Professional Development, and Educational Resources, Yoga Ed. equips educators with yoga tools to integrate yoga for children to age people into academic environments. The course provides participants with an opportunity to develop themselves or atman which is essential in the education process and also to undertake a particular practical project related to their own work. A wide variety of methodologies – lectures, seminars and workshops are used throughout with a selection of key guest speakers from the local and national context brainstorming on relevant areas of Yoga Education, and other relevant themes. The course is designed particularly for Students of Postgraduate levels, Teachers, Instructors and Prospective Educational Leaders in the Indian Primary, Secondary and Higher Education sectors and other organizations working in this arena.
